# BUTTERFLY EVO

Lighting innovation

**Vittrea**

The power of magnification

## POWERFUL LIGHT. ULTRALIGHT. WIRELESS.

Discover Butterfly EVO, Vittrea's cordless headlight series, featuring two models designed for optimal efficiency.

The best complement to your loupes, designed to increase magnification efficiency.

### LIGHTWEIGHT

Ergonomically designed to rest lightly on your loupes.

### WIRELESS

Freedom of movement increases comfort and efficiency.

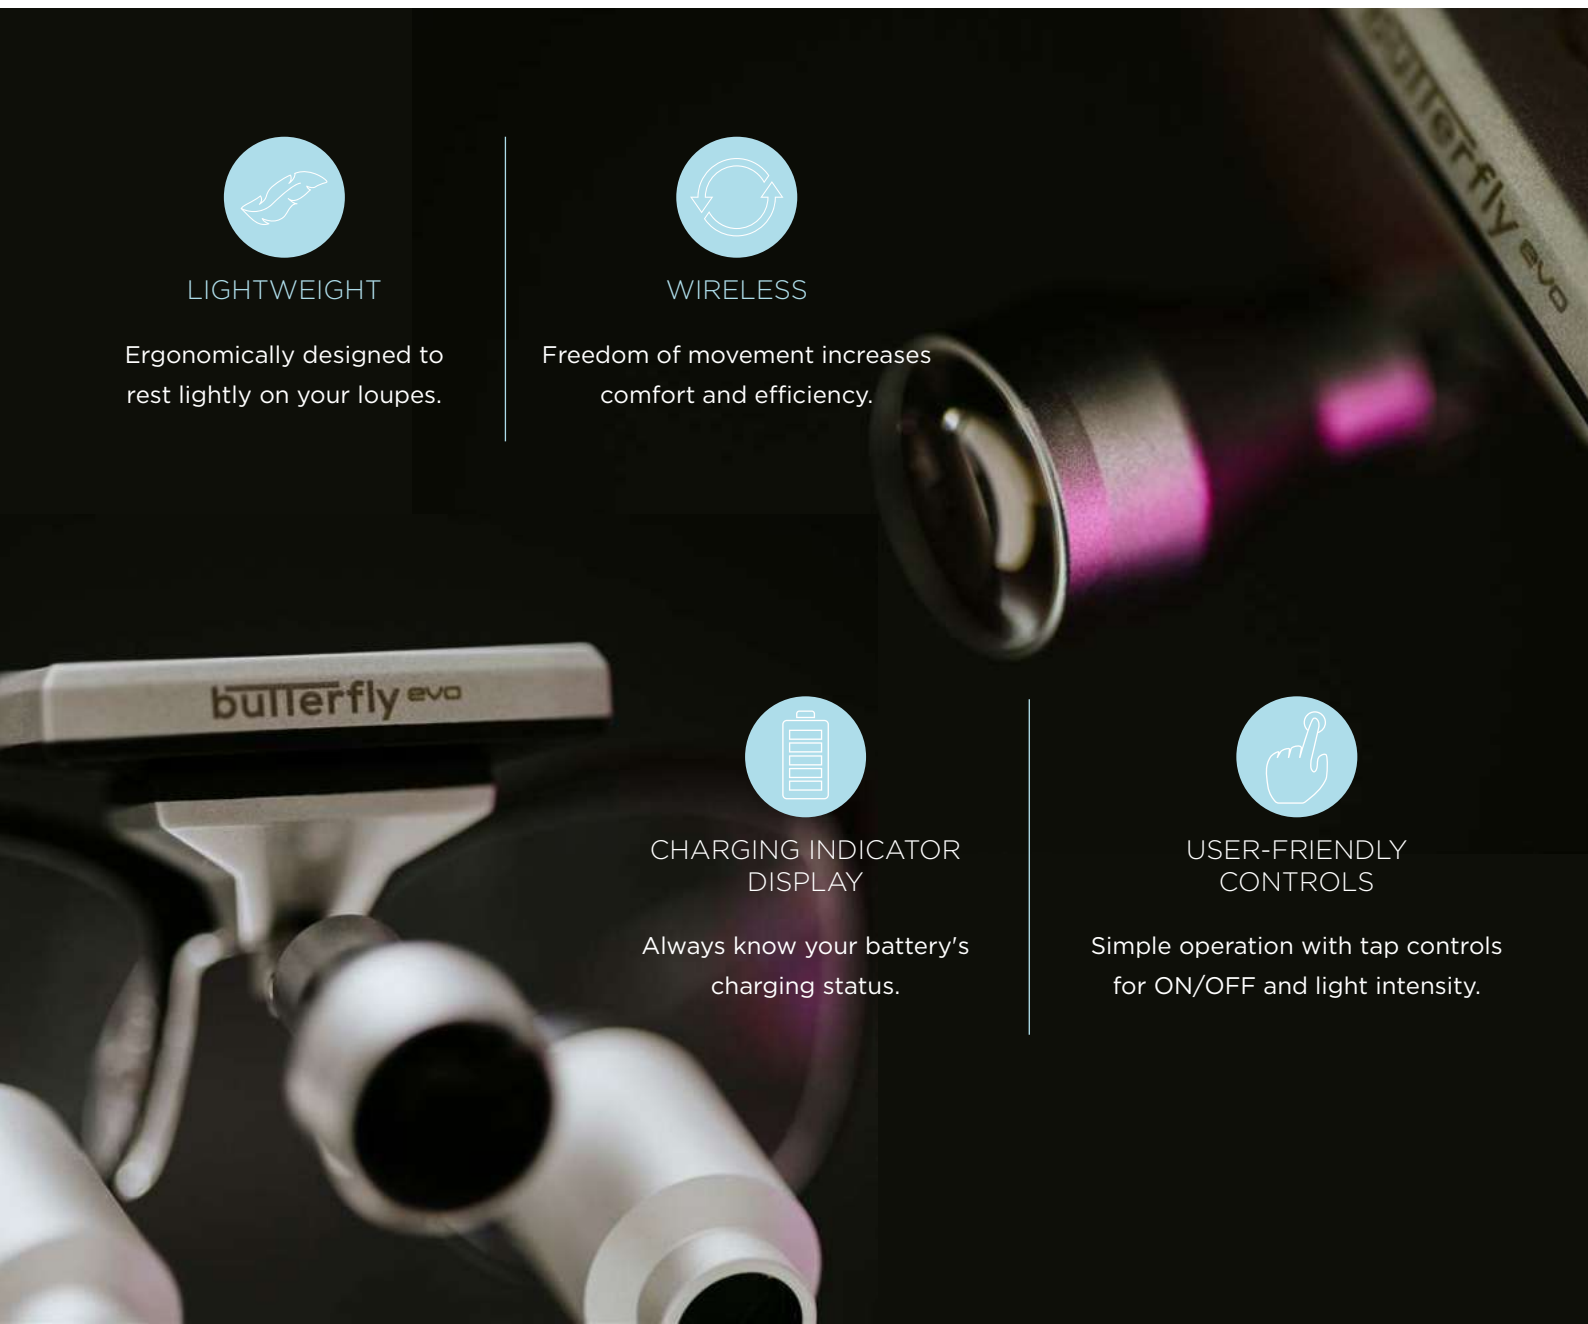

### CHARGING INDICATOR DISPLAY

Always know your battery's charging status.

### USER-FRIENDLY CONTROLS

Simple operation with tap controls for ON/OFF and light intensity.
